Pilgrims are on a journey in search of ...

Community

We seek comfort in knowing that we do not travel alone.

Healing

Anointing with oil and through the laying on of hands we seek prayer for all the ways we have been wounded or on behalf of others who are in need healing.

Food for the Journey

We come to the Eucharistic Feast to eat the bread of life and drink the cup of salvation. **All** who seek a closer relationship with Christ **are invited** to come to the table and be fed by Him.

Mentors in the Faith

We follow in the footsteps of the saints who have traveled before us.
